

# KIDS THAT PRAY

## RAINBOW PRAYERS

We are so excited that we are continuing to pray as a church and in families!  
We have been praying all together more than 1000 hours! Well done all of you!  
Kids we Jesus loves hearing your prayer as He loves you so much!

We read stories in the Bible of Jesus promising Noah that He will not flood the earth again and He gives Noah a special sign in the sky to remember this, the sign of a rainbow!

Rainbows remind us that God keeps His promises and He loves us.

We also read that Jesus loves making sick people well.

**Let's pray for those we know that are sick or sore that they will feel well and know that Jesus loves them so much!**
