

PRAYING FOR OUR COMMUNITY, ISLAND AND WORLD

We are excited this week to continue praying for our friends, family and neighbours. This week we would love you to continue your prayer walks around the areas that you live. It is great that we get to bring God's presence everywhere we go.

Let's pray for our neighbours as well as other people we might not know. Let's pray for everyone in our towns, on the Island of Ireland and everyone across the world. We pray for God's protection over them and we ask him to bless them so that they know how much Jesus loves them!

Not only can we be praying for our neighbourhoods this week, but also for our country and our world. We have 3 maps that you can use to help you pray. One for the city of Lisburn, another for the Ireland and the last one is a world map. Prayer is not limited to the people we know or have met. God loves when we pray for everyone!

So let's get creative

You will need:

Maps (print the ones found on the following pages or use your own maps/globe)

Pens

Get creating

Draw a line to a town or an area you would like to pray for.

Write beside the line who or what it is you would like to pray for in this area.

You could find out where your friends or family live and pray for that area. Or maybe you heard about somewhere in the news or on TV and you don't know where that is. Find that place and pray for them too.

God loves when we pray for people, even those who we do not know.

Pray

Lord of heaven and earth,

We pray for each and every person in our city, country and world.

Lord we pray that they may know your love and grace.

Name the country or area and ask Jesus to keep them safe and protect them.

Name the country or area and ask Jesus to comfort them and give them hope.

In Jesus name we pray, Amen.

Share your stories

Take a picture of your maps or globe and get your mummy or daddy to send these to us. We love to hear your prayers and we love to pray for the things that are on each of your hearts!
