

An aerial photograph of a town and valley, showing a mix of residential buildings, green fields, and a railway line running through the foreground. The sky is blue with scattered white clouds.

# New Building

Father, we have seen Your Kingdom at work in and through Lagan Valley Vineyard, witnessing lives changed and communities transformed. We offer You our thanksgiving and worship.

Jesus, over the past ten years, You have formed us into a family, seeking to see what You see, say what You say and do what You do, everyday.

Holy Spirit, as we commit ourselves to Your direction for our future, we pray that You would guide us with vision and courage. Trusting in Your loving presence, lead us forward into Your future with open and generous hearts so that we can continue to grow and serve You.

Lord, through our sacrificial giving, may we see this valley come alive and Your church set on fire.

Come, Holy Spirit.  
Amen.
